

QA: Post Fall Investigation Report

Resident name: _____ Room #: _____

Social Security #: _____ Date of incident: _____ Time of incident: _____

Staff completing report: _____ Date of Report: _____

1. Does the resident have a history of falls?

Yes

No

If yes, list falls for the past 12 months:

Date: _____

Time: _____

AM

PM

Date: _____

Time: _____

AM

PM

Date: _____

Time: _____

AM

PM

Date: _____

Time: _____

AM

PM

Date: _____

Time: _____

AM

PM

Date: _____

Time: _____

AM

PM

2. Was the resident identified on the care plan as high risk for a fall? Yes No

3. Do you see any patterns with falls? (Check all that apply.)

Greater than 2 falls in the past 2 days Increased restlessness Going to the bathroom Time of day

Specific activity Location Physical Factor (shoes, etc.) Other _____

4. Contributing factors: (Check all that apply.)

Other: _____

5. Location

Resident room

Bathroom

Dining room

Hallway

Nurses' station

Lobby

Other: _____

6. Did anyone witness the fall? Yes No

7. Level of Injury:

No injury

Minor injury

Major injury

Death

8. Describe the incident: (Check all that apply.)

Found on floor

Found by bed

Was walking unassisted

Found by bathroom door

Missed chair

Slid out of chair

Other:

A) Describe injury: _____

B) Describe accident: _____

QA: Post Fall Investigation Report (page 2)

9. Was the resident using bed rails? <input type="checkbox"/> Yes <input type="checkbox"/> No		
10. What was the bed's position? <input type="checkbox"/> High <input type="checkbox"/> Low		
11. Appliances/assistive devices used for ambulation (Check all that apply.)		
<input type="checkbox"/> Walker or cane	<input type="checkbox"/> Restraint used	
If physical restraints were used, list type: _____		
12. Activity status:		
<input type="checkbox"/> Bed rest	<input type="checkbox"/> Up in a chair	<input type="checkbox"/> Ambulatory
<input type="checkbox"/> Bathroom privileges		
13. Medication factors:		
<input type="checkbox"/> New medications	<input type="checkbox"/> Greater than 5 medications	<input type="checkbox"/> Medication changes
If medications were a factor, list medications: _____		
14. Does the resident take any of the following? (Check all that apply.)		
<input type="checkbox"/> Psychotropics	<input type="checkbox"/> Anti-anxiety	<input type="checkbox"/> Analgesics
<input type="checkbox"/> Antihypertensives	<input type="checkbox"/> Antidepressants	<input type="checkbox"/> Diuretics
<input type="checkbox"/> Sedatives	<input type="checkbox"/> Hypoglycemics	
15. Had resident's health care status changed prior to this fall? <input type="checkbox"/> Yes <input type="checkbox"/> No		
If yes, describe: _____		
16. Safety measures and interventions		
A. Were safety measures or fall prevention interventions in place prior to the current fall? <input type="checkbox"/> Yes <input type="checkbox"/> No		
B. If yes, were the measures/intervention in the care plan? <input type="checkbox"/> Yes <input type="checkbox"/> No		
C. Were the measures/interventions carried out as per the care plan? <input type="checkbox"/> Yes <input type="checkbox"/> No		
If no, Explain: _____		

17. If the fall was unwitnessed, or if the head was impacted, were neuro checks done immediately and according to protocol? <input type="checkbox"/> Yes <input type="checkbox"/> No		
18. Was increased monitoring documented for 72 hours post fall per standard of care?		
<input type="checkbox"/> Yes <input type="checkbox"/> No		
19. Was the incident report completed in its entirety?		
<input type="checkbox"/> Yes <input type="checkbox"/> No		

Findings: Summarize factors identified as contributing to and/or causing the fall(s). Then describe planned systemic interventions/changes: _____
